CEO **MESSAGE**

Welcome to restaurantnetworks.net. We want to talk about our platform, site, and how it works. Our site specifically focuses on commercial used/new restaurant equipment. We do not participate with a buyer or seller in its logistics, sale, or communication with the sale of equipment. So, let me talk about our Kickstart program, because that's what I'm here for. Our Kickstart program is free, and who does not love free? It will take effect on June 1 and run through the end of December 31, 2023. This will give you the opportunity to list up to five pieces of equipment for free, and who does not love free?

This will include a custom dashboard, up to four images per item, four bullet points per item, and content. Things that help compliment you about our Kickstart program and set us apart are that we are an ad-free space. We have a nationwide presence covering 50 states which includes 15000+ cities to view. You can in turn go to a local storefront where you're going to want a piece of the pie or go to a virtual website where the fees can be very excessive. Therefore, you want to take advantage of our Kickstart program, which is again free and who does not love free? Thank you for visiting restaurantnetworks.net. I look forward to your calls and communication.
